

## **At A Glance: 2013 Infiniti QX**

Now in the third year of the current generation design, the 2013 Infiniti QX continues to offer an unmatched combination of power, strength and luxury style – capable of transporting up to eight adults and their belongings with spacious elegance. Its drivetrain is rugged enough to handle tasks such as towing boats or trailers (8,500-pound towing capacity, when properly equipped), while being equally at home transporting friends and family for a night on the town.

For 2013, the advanced Moving Object Detection (MOD) has been added to the standard Around View<sup>®</sup> Monitor. Also new are standard auto-dimming exterior mirrors and a new Smoky Quartz exterior color. In addition, an upgraded remote control and interface is added to the Theater Package.

All 2013 Infiniti QXs include a high-stiffness frame structure that enhances ride comfort while reducing noise, vibration and harshness. The proven 5.6-liter V8 engine combines the responsive acceleration of Infiniti's VVEL (Variable Valve Event & Lift) technology with the efficiency of Direct Injection Gasoline (DIG) to produce 400 horsepower and 413 lbs-ft of torque. A smooth 7-speed automatic transmission is standard on all models.

The QX interior is long on luxury and comfort, including standard Infiniti Hard Drive Navigation System, Around View<sup>®</sup> Monitor, Bose<sup>®</sup> 13-speaker Premium Audio System and available Bose<sup>®</sup> Cabin Surround<sup>®</sup> Sound System with digital 5.1 decoding and 15 speakers, available perforated semi-aniline leather-appointed seating and an available Theater Package with dual 7-inch color monitors, which allows different sources to be played at the same time.

The 2013 QX is offered in two fully equipped models – Infiniti QX56 2WD and Infiniti QX56 4WD. Highlights of the 2013 Infiniti QX include:

### **Body**

- Bold front chrome grille
- Automatic on/off High Intensity Discharge (HID) bi-functional xenon headlight with windshield wiper interlock, front fog lights, LED taillights
