

Q50

INFINITI

THE DRIVE FOR THE DRIVEN

Created for those whose lives are always accelerating, the Q50 is a hi-tech sport sedan that helps you pursue the path that challenges, thrills, and keeps you driven. When that path demands greater performance and agility, you'll charge ahead with a choice of a 300-hp or 400-hp¹ twin-turbocharged V6 engine, and handling systems you can dial in to your preference for your own journey forward. When the road brings the unexpected, you'll travel with the confidence of INFINITI drive assist technologies¹ that can expand your awareness, keep you alert, and help respond if danger is detected around you. When your drive for more extends your time behind the wheel, you'll be optimally positioned in an interior that automatically recalls your preferred settings, with the comfort of premium materials that take personal refinement even further. This is luxury for a life lived in Drive.

LUXURY SHOULD BE LIVED IN

▲ **ROLL WITH DISTINCTION** 1 18-inch Alloy Wheels¹ 2 19-inch Triple 5-Spoke Alloy Wheels Machine Finish¹ 3 19-inch Alloy Wheels with Dark Gray Metallic Finish¹ 4 19-inch 5-Spoke Aluminum-Alloy Wheels with Dark Gray Metallic Finish¹

▲ THE UNINHIBITED ENERGY OF CREATIVITY

Passion flows throughout the Q50, seizing your emotions with every dynamic body line. From the Q50 LUXE grade to the top of the line, creativity is expressed in an angular and sportier front fascia complemented by an aero-inspired rear lower diffuser. Gloss black accents and exclusive red calipers on RED SPORT.

▲ WAYS TO GET THRILLING PERFORMANCE

Feel exhilarated from the start. Pick the twin-turbocharged engine that suits you best: a 3.0-liter V6 with **300-hp** or a **400-hp**¹ version with higher turbine speeds and enhanced cooling for maximum power. To carve a turn your way, the Q50 gives you two ways to steer: **Rack Electronic Power Steering** offers a traditional feel with Sport Mode to sharpen response, while **Direct Adaptive Steering**,[®] available on RED SPORT 400, digitally processes your inputs so steering feels faster and smoother. The choice of suspension is equally empowering. **Standard Suspension** offers a double wishbone front and independent multi-link rear suspension for a smooth, confident ride. Your experience can be further refined with the **INFINITI Drive Mode Selector** for response that can be personalized to your liking.

SHAPED BY INDIVIDUALITY

No two drivers are alike. A Q50 gets to know – and remember – each driver in detail. Opt for the memory system, and each driver's Intelligent Key automatically personalizes your cockpit as you enter. Beyond the seat, steering wheel and side mirrors taking your positions, even your temperature and audio preferences for over 200 stored settings are recalled before you ever sit down. To match personalization with performance, the RED SPORT brings genuine Kacchu Aluminium and red contrast stitching that accentuates the cabin with attitude.

▼ SYNC YOUR LIFE HERE

INFINITI InTouch™² with wireless Apple CarPlay®^{***} integration¹² lets you bring the iPhone® experience along for the ride. Or make your Android Auto™^{***} compatible phone your preferred driving companion.

Either way, your focus is priority with dual screens that display navigation up top near your line of sight, and features like climate controls down below.

* Apple CarPlay® and Android Auto™ availability depend on license agreement with the respective country's government.
** Apple CarPlay® and Android Auto™ features and functionality vary by region.

DE-STRESS FROM HIGHWAY DRIVING

With drive assist technologies, INFINITI can help ease the demands of the daily commute. Available Intelligent Cruise Control⁵ can automatically maintain your speed and distance to the car ahead. Beyond responding to the road in front of you, also included is Blind Spot Intervention® that uses sensors to help detect cars in your blind spot area and can intervene to help avoid a collision.⁶

TECH THAT HELPS LOOK OUT FOR YOU

Q50 includes INFINITI world's first technology that continues to lead the way today. Such as Predictive Forward Collision Warning⁷ that can alert you to a potential collision two cars ahead, the suite of visionary tech expands for added confidence, including Backup Collision Intervention that can help you brake if rear cross traffic is detected.⁸ Or Around View® Monitor with Moving Object Detection, which can assist you in parking and tight maneuvering with a virtual composite 360° view from above.^{9,10}

LUXE – BLACK EDITION¹

BLACK'S BACK IN STYLE

DARE TO GO ALL BLACK

Introducing the Black Edition, with dark finish wheels that stop bystanders in their tracks, to dark chrome details that will dare you to take on the roads with attitude, and Black Edition badging so no one mistakes you for midnight itself.

SPEAKS VOLUME

Technology that feels human and delivers beyond the expected. Stay smarter and more responsible on every drive with wireless Apple CarPlay[®] *** integration¹². Voice command function that fulfils more wishes than a genie would, while still keeping you in control of your drive.

DRIVES SERIOUS

Traditional craftsmanship meets modern materials to create an exhilarating driving experience exclusive to the Black Edition. With sport seats to keep you in control and comfortable no matter how hard you hit the peddle and leather steering that gives you the grip to make every turn a breeze.

ONLY ON THE DARK SIDE

- Dark chrome radiator
- Black exterior mirror body
- Dark chrome back door finisher
- Black tricot
- 19-inch 5-Spoke Aluminum-Alloy Wheels with Dark Gray Metallic Finish

Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI retailer before relying on it to make a purchase decision. INFINITI Middle East, reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in other countries. For additional information on availability, options or accessories, see your INFINITI retailer or visit [INFINITI-me.com](https://www.infiniti-me.com).

1 Available on select models. **2** If equipped, your vehicle may include INFINITI InTouch™ connected features and services such as Navigation, Bluetooth® and other connected features that can be viewed by model on the INFINITI InTouch™ website here: <https://www.INFINITI-me.com/intouch.html>. **3** Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. **4** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **5** Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **6** Blind Spot Warning and Blind Spot Intervention® Systems cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **7** Predictive Forward Collision Warning is intended to warn you before a collision occurs; it cannot prevent a collision. Speed & other limitations apply See Owner's Manual for safety information. **8** Backup Collision Intervention may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **9** Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **10** Virtual composite 360° view. **11** Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. **12** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. **13** Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. **14** Forward Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **15** Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **16** Lane Departure Warning and Lane Departure Prevention Systems only operate when lane markings are detectable. See Owner's Manual for safety information. **17** The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. **18** Cargo and load capacity limited by weight and distribution. Always secure all cargo.
